Education Program & Abstract Book Order Form

The **Education Program Book** provides a series of pertinent, up-to-date review articles applicable to the current practice of hematology -- whether the practice is community-based, academic, institutional, training, or a combination thereof. Each chapter of the book relates to one of the education program sessions at the annual meeting. The **Program and Abstract Book** (the abstract issue of *Blood*) contains all the abstracts submitted to the annual meeting, as well as general Society information, such as a list of committee members, past awards winners, etc., and program information, such as session descriptions, daily schedules, and convention center maps.
